Annual Partnership Opportunities 2026

In Hillsborough County, more children are removed from their homes due to child abuse and neglect than anywhere else in Florida.

It doesn't have to be this way.

Champions for Children is building stronger families with thriving children.

Our science-based, outcome-driven programs not only protect against abuse and neglect, but ensure a nurturing home environment for children to truly thrive.

When children are supported to develop to their full potential, our entire Tampa Bay community benefits from improved health, civic, and economic outcomes.
